- **Primary Care Policy Fellow**, U.S. Public Health Service | Washington, DC — **2001**
- **Epidemic Intelligence Service (EIS) Officer**, Centers for Disease Control and Prevention | Atlanta, GA — **1998–2000**
- **Internal Medicine Resident**, New York-Presbyterian / Weill Cornell Medical Center — **1994–1997**
  (Affiliated with Memorial Sloan-Kettering Cancer Center & Hospital for Special Surgery)

Academic Degrees & Executive Credentials

- **M.B.A.**, Leadership & Organizational Health | University of Saint Mary — **2019**
- **Certificate in Executive Leadership** | Harvard Kennedy School Leadership Institute — **2012**
- **M.D.** (Dean's Scholar) | David Geffen School of Medicine at UCLA (UCLA-Drew Program) — **1994**
  - Medical Thesis: The Flexner Report of 1910 and the Well-being of Black Americans: Historical Underpinnings of a Contemporary Health Crisis
- **M.P.H.**, Behavioral Sciences (Honors Thesis) | UC Berkeley School of Public Health — **1990**
  - Graduate Thesis: Investigating Disproportionate AIDS Incidence Among Black, Latin, and White IV-Drug Users
- **B.A.**, Ethnic Studies | University of California, Berkeley — **1988**

LEADERSHIP EXPERIENCE

Managing Director | DLM LLC | Washington, DC, and Naperville, IL — 2016 – Present

DLM partners with organizations to enhance wellness for defined populations. Advisory areas include organizational strategy, digital health solutions, AI-enabled case management tools, disease management, medical tourism, and COVID-19 response and recovery.

- Established the organizational mission, business vision, and employee expectations for a health consulting firm.
- Created and updated the company's digital presence to enhance marketing efforts through professional websites and optimized social media profiles.
- Cultivated and strengthened client relationships through effective communication and professional networking.

Chief Operating Officer | Cook County Health, Department of Public Health | Chicago, IL — 2022 – 2025

The Department of Public Health is a nationally accredited health department and part of a $6 billion integrated safety net healthcare system, serving the nation's second-largest county.

- Built and led an executive team, recruiting key leadership roles, including the Chief Nursing Officer and directors for various departments.
- Developed and executed the 3-year strategic plan, "Putting the Public in Public Health," establishing performance metrics for 2.3 million residents.
- Launched the Public Health Heroes League, an award-winning animated series that enhanced brand recognition, increased community engagement, and achieved a 300% rise in earned media.
- Streamlined grant-making processes, resulting in over $18 million awarded to first-time grantees from vital community-based organizations.
- Managed an additional $70 million in COVID-19 relief funding to address critical health priorities in affected communities through innovative programs, including naloxone vending machines, youth violence prevention initiatives, and mental health referrals.
- Co-led a county-wide behavioral health workforce study documenting a current shortage of 15,000 and a projected 5-year shortage of nearly 30,000; partnered with NAMI on several community-focused initiatives.

Senior Advisor to the Secretary-General (Long-term Consultancy) | Council of Health Insurance | Riyadh, Saudi Arabia — 2020 – 2022

The Council regulates the private health insurance sector for 10 million beneficiaries, approximately 25% of the Kingdom's population.

- Trained staff in population health management, advanced care models, specialty referral protocols, and the Patient-Centered Medical Home framework to enhance regional healthcare practices.
- Established collaborative forums to innovate practice and payment models among payers and healthcare providers.
- Created a chronic disease registry for five critical conditions to support population health improvement initiatives.
- Developed a 5-year strategy to reduce the national incidence of chronic diseases, minimizing avoidable health expenditures.

Senior Consultant for Strategy & Growth (Long-term Consultancy) | American Medical Association | Chicago, IL — 2017 – 2018

The AMA is the largest association of physicians in the U.S.

- Provided strategic guidance to improve health outcomes for pre-diabetes and hypertension across multiple sectors.
- Developed a national health equity strategy targeting high blood pressure among African American men.
- Fostered partnerships with key organizations to enhance collaborative efforts.
- Hosted the AMA Doc Talk podcast, reaching millions of listeners weekly.

CEO and Executive Director | National Association of County & City Health Officials | Washington, DC — 2015 – 2017

NACCHO represents 3,000 local health departments across the U.S.

- Increased non-restricted revenue from membership and meetings by 20% in two years through strategic initiatives.
- Elevated brand visibility, resulting in a 400% growth in earned media coverage with national outlets.
- Cultivated donor relationships, expanding philanthropic and corporate funding partnerships by 33% in two years.
- Achieved membership and staff retention rates of 90% and 93%, respectively.

- Launched a professional development curriculum for 150,000 public health workers, focusing on leadership, strategic planning, and fiscal management.

Director (Cabinet Secretary) | State of Illinois Department of Public Health | Chicago, IL — 2012 – 2015

Oversaw the IDPH, which safeguards 13 million residents with a workforce of 1,100, supported by 7 regional offices, 4 state laboratories, and an annual budget of $600 million.

- Developed and executed a comprehensive 5-year strategic plan, establishing measurable public-facing performance metrics.
- Led initiatives that resulted in national accreditation from the Public Health Accreditation Board.
- Advocated for and successfully licensed a Level 1 adult trauma center in South Side Chicago, providing care for approximately 5,000 patients annually.
- Contributed to the Governor's Health Innovation Transformation team, implementing Affordable Care Act (ACA) reforms that benefited 2 million uninsured residents.
- Served as a statewide spokesperson, educating residents on health insurance exchanges and Medicaid expansion.
- Chaired statewide workgroups focused on healthcare workforce development, community health workers, and the integration of primary care and public health.

Commissioner | County of Ulster Department of Health and Mental Health | Kingston, NY — 2009 – 2012

The agency leveraged $27 million to provide health services to residents, ensuring their physical, psychological, and emotional well-being.

- Directed a community health improvement plan to address health disparities, targeting resources to the most vulnerable residents.
- Increased operational efficiency and clinician productivity by 15% in 18 months through training, implementing EHR systems, and benchmarking.
- Reduced annual expenditures by 55% over 3 years by consolidating two departments and satellite clinics while minimizing staff overtime.

Chief of Party (Director) | U.S. Centers for Disease Control and Prevention | Guyana, South America — 2007 – 2009

Mission: Strengthen infrastructure, improve public health science, and reduce health impacts from AIDS.

- Collaborated with key partners, including the Ministry of Health, USAID, PAHO, Global Fund, and the Clinton Foundation.

- Led the completion of the $4.4 million National Public Health Reference Laboratory on time and within budget.
- Coordinated successful consultancy efforts for emerging public health threats, including H1N1, water safety, blood shortages, and outbreak investigations.
- Directed the US Embassy's medical planning for a humanitarian and civic assistance mission by the USS Kearsarge during Operation Continuing Promise in 2008.

Senior Medical Officer / Epidemiologist | U.S. Centers for Disease Control and Prevention | Atlanta, GA — 2000 – 2007

- Served as Global AIDS Program technical lead (2004–2007) for PEPFAR programs in Nigeria, Haiti, Namibia, Uganda, and Vietnam.
- Led the CDC office in Namibia (interim), providing strategic and technical assistance to countries with an average annual programmatic budget of $250 million.
- Served as a medical epidemiologist for the Division of Violence Prevention (2000–2003), offering consultation, research, and support.
- Conducted epidemiologic studies on intentional injuries, including interpersonal violence, firearm injuries, elder abuse, and neglect; led the development and release of the US Surgeon General's Report on Youth Violence (2001).

ACADEMIC APPOINTMENTS

- **Clinical Associate Professor**, Division of Community Health Sciences, University of Illinois at Chicago School of Public Health — **2012 – 2015**
- **Distinguished Lecturer**, Department of Epidemiology & Community Health, New York Medical College — **2010 – 2012**
- **Adjunct Clinical Professor**, Department of Community Health & Preventive Medicine, Morehouse School of Medicine — **2003 – 2007**
- **Assistant Professor of Clinical Medicine**, Division of Infectious Diseases, Emory University School of Medicine — **2004 – 2007**
- **Assistant Professor of Clinical Medicine**, Division of General Medicine, Emory University School of Medicine — **1997 – 2004**

HOSPITAL & STAFF APPOINTMENTS

- **Physician Consultant**, Georgetown Public Hospital Corporation, Georgetown, Guyana — **2007 – 2009**
- **Attending Physician**, Grady Memorial Hospital, Atlanta, GA — **1997 – 2007**

MILITARY & PRIOR SERVICE OBLIGATION

- **Commissioned Corps Officer (O-5 Billet)**, United States Public Health Service — **1988 – 2009**

CERTIFICATION & LICENSURE

- **Fellow of the American College of Healthcare Executives (FACHE)** — **2024**
- **Diplomate, American Board of Internal Medicine (ABIM)** — **2001**
- Previously Licensed Physician: Illinois, New York, Virginia, Georgia
